MEET OUR BEERS

An exceptional lager inspired by the oldest preserved brewing recipe Zlatý Bažant from 1973. Brewed for up to six weeks and you can enjoy it unfiltered only with us. To keep it fresh, we take delivery of the beer in special tanks. Lager has that unique direct-from-brewery taste.

**Enjoy its rich creamy foam and pronounced bitterness,
a taste that fully develops in the mouth.**

We dreamed about it since our first Klubovňa opened. Our beer Klubovňáčka 11° which we brew according to our recipe together with you, our customers. Golden yellow with amber tones, rich creamy foam, clear hop aroma, and a medium-bodied sharp malty taste with a harmonious bread-bitter finish. What a beauty. An unmissable taste.

12° Wheat

A light unfiltered 12° beer with higher carbonation. You'll love its refreshing taste, and light to medium full body. Wheat malt with gentle acidity to ensure a pleasant fresh finish. Great for those seeking aromatic beers that are only mildly bitter. It has a fruity banana aroma, complemented by notes of cloves. With 4.6% alcohol, it's one of the lighter 12° beers.

13° Session IPA

It will appeal to every top-fermented beer lover who has made a decision discover less traditional beer styles. This beer proudly belongs to the family India Pale Ale and is characterized by its unique hop aroma with a clear undertone of the aroma of citrus fruits.
